He had a Ph.D in Experimental Nuclear Physics before his arrival to USA in 1984. HH was a Medical Physicist treating cancer patients with radiation for nearly 30 years in USA.

By the command of his Acharya HH 44th jeeyar of Sri Ahobhila Mutt, Sri Krishna Desika Swamy constructed a wonderful unique Sri Vaishnava temple for Lord Sri Ranganatha at **Pomona, New York**. HH had renounced material life and taken up Sanyasa-Ashrama on Nov 24th 2014.
